REMARKS Historical and Chronological, concerning the Antiquity of the World.

GOD created the World in six Days (as the Scripture tells us) and rested on the seventh Day; that is, he ended his Work of Creation.

The Age of the World is divided into seven Periods; six of which are accomplished, and the seventh, now going on, must end with the World.

According to the Author of *Time's Antiquity*, the first Age began with the World, and ended with the Deluge, comprehending 2256 Years; before Christ 3756.

The second began with the Deluge in the Year 2256, and ending with the Calling of *Abraham*, in the Year 3523, comprehending 1267 Years; before Christ 2449.

The third began with the Calling of *Abraham*, in the Year 3523, and ended with the Deliverance of the *Hebrews* in the Year 3953, comprehending 430 Years; before Christ 2019.

The fourth began with the Deliverance of the *Hebrews*, in the Year 3953, and ended with the Foundation of the Temple of *Solomon* in the Year 4915 comprehending 962 Years; before Christ 1057.

The fifth began with the Foundation of the Temple of *Solomon*, in the Year 4915, and ended with the Destruction of *Jerusalem* by *Nebuchadnezzar*, in the Year 5386, comprehending 470 Years; before Christ 587.

The sixth began with the Destruction of *Jerusalem* by *Nebuchadnezzar*, *Anno* 5386, and ended with the Death of Christ, in the Year 6000, comprehending 586 Years.

The seventh began with the Death of Christ, in the Year 6000, and has continued to this present Year 1747, and will end with the World.

Of the 6000 Years computed before Christ, 4000 were under the Law of Nature, 2000 under the Written Law: and down to this Time, 1747, under the Law of Grace: Which makes in all,

Since the Creation of the World 7747.

Since the Deluge 5490.

Since the Correction of the *Gregorian* Kalendar 164.
